Metalik Boya // Metallic Paint

Ürün Hakkında!

About the Product

Koyu renkler ve metalik tonlar rakipsiz bir zevk. Hi-lite Magic Metalik Boyalar kendilerini en net koyu zeminlerde gösterirler. Siyah tuvalini hazırla ve ambalajlarında beyaz gibi görünen altı farklı metalik rengi tuvaline aktarırken eşsiz sihir deneyimini yaşa. Çünkü sen de yapabilirsin!

Hi-Lite Magic Metallic Paint is a superior-quality metallic paint with a timeless and elegant finish. It is designed to cover dark backgrounds with light application. The Hi-Lites are almost transparent when applied to light surfaces but they transform to create beautiful, dramatic effects on dark surfaces. The sponge technique is recommended for application.
