Blending Mürekkep // Blending Ink

## Ürün Hakkında!

About the Product

Mürekkepleri yüzeyde sünger yardımıyla kaynaştır ve dakikalar içerisinde gökkuşağını kanvasına taşı. İster üzerine Spray Mürekkep ekle, ister metalik ton farkı olmaksızın kendi renklerini dokularını yarat. Çünkü sen de yapabilirsin!

Superior-quality, water-based ink for soft and colourful blending and stamping. Especially formulated for blending beautifully, leaving no hard edges and giving perfect results every time. Creates smooth, even, streak-free shading and crisp stamped images. Works best with Cadence Cut & Use Stamp Pad Foam or sponge brushes. Perfect for cardmaking, scrapbooking, stamping, home décor projects and much more. Can be used with paper, card and porous craft products to create beautiful and neutral background colours. Dab the sponge with pressure on the top of the felt pad, dab off any excess, and blend in circular motions.
