Dimensional Paint

Boyutlu Boncuk Boya

Ürün Hakkında! About the Product

Projen ne olursa olsun kendi imzanı kendi farkını ortaya koymaya ne dersin? Boyutlu Boncuk Boyanın metalik, simli ve opak renkleri arasından favorini seç, özel ucu ile kolayca uygula. Çünkü sen de yapabilirsin!

Dimensional Paint is a superior-quality, fast-drying, water-based paint for creating a raised, 3D design on any project. Packaged in a squeezable bottle for easy application. It can be used on almost all surfaces, alone, or with acrylic paints, to add luminescence to crafts, stars, words or designs to any surface including fabric. It has metallic, glitter and opaque options.
