Coloured Pearls Renkli İnciler

Ürün Hakkında About the Product

Her türlü yüzeyi inciler ile kolayca donatmanın en kolay yolu Renkli İnciler. Opak, metalik ve floresan renk alternatiflerinden kendi rengini seç, özel ucu ile kusursuz yarım daire şeklindeki incileri yüzeye bırak. İncileri irili ufaklı sırala istediğin boyutu oluştur. Hadi zaman kaybetmeden başla. Çünkü sen de yapabilirsin!

With this product, you can create perfect, dimensional half-pearl droplets. It works very well on fabric projects and is easy to use. The difference between Coloured Pearls and Dimensional Paint is that Coloured Pearls will create half droplets, while Dimensional Paint will create continuous, dimensional lines.
